

Happy Holidays!

We hope that this year you have achieved only one goal, to spend a pleasant vacation accompanied by your family, but if you chose the month of December for that, great!

We show you the main activities that will be carried out in each of our destinations.

Pocono

Pocono promises a Christmas like no other. The small town becomes a real Christmas Village. Winter sports are favorites in the area. Visit the different Christmas craft shops. Travel on the old train that will take you to different remote points under a warm Christmas vibe. And of course, at SplitRock you will have fun with the different activities that we plan for our guests.

Christmas & New years activities

Detroit

The closest destination to the North Pole. An incredible place full of museums, art and tourist activities. Visit the multiple ice rinks, festivals of lights, including a giant menorah lighting, Chanukah games, food, Chanukah gelt, a fire show, and educational info for guests who want to learn more. Be part of the Noel Night, during this time, hundreds of local businesses come together to host an event unlike any you've ever seen, including carriage rides, shopping, food, music, and hundreds of live, free performances.

Nuevo Vallarta

Spend a warm and fun-filled Christmas. Our Krystal Grand resort will have Christmas events for the family, games and challenges, as well as a delicious Christmas dinner, which you can consume by requesting the All-Inclusive plan. If you are looking to venture outside the hotel, you will find in the city of Nuevo Vallarta the lively Christmas spirit in lights and multiple events. Within the month of December, it is a Mexican tradition to celebrate the appearance of the Virgin of Guadalupe, thus beginning the celebrations of the month. You can be part of this celebration by being part of the pilgrimage parade that takes place year after year. Nature becomes even more magical with the arrival of whales on the coast, looking for a warmer climate and presenting an incredible show to behold.

Los Cabos

Another perfect option to avoid the cold of the season. Enjoy multiple Christmas activities and menu offered by our Krystal Grand resort. Venture out to witness the whales on their seasonal migration visit. Giving thanks in the archaic Parroquia de San José del Cabo, is a tradition in the area, to later enjoy the Cabo San Lucas Christmas Nautical Parade, where amazing boats sail along the bay in front of your eyes. End the night with a fireworks show on the coast together with your family.

Cancun

The favorite place of many, the perfect weather to visit, while Krystal Grand, now Altitude, will receive you with the Christmas vibe you need. Visit the traditional Christmas parade, which takes place in the center of the city. Enjoy the light show at the Christmas Show Cancun, a light show on Malecón Tajamar. Get to know the exciting nightclubs in the city that promise you an incredible and unparalleled party.

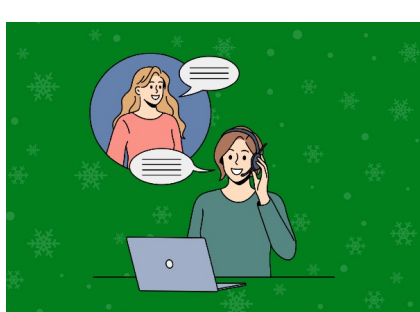

Mexico City

The great city of Mexico is not behind when it comes to Christmas celebrations. Visit the skating rink in the center of the city, while you are surrounded by the old buildings adorned with Christmas lights or visit the Christmas village that will have a snow zone, an ice ramp, skill games and a group of monumental trees. And not far from there, the Mexico City Philharmonic Orchestra will close its 2022 season by giving a free concert in the Plaza de la Constitución.
